

Fiddling champion added to lineup

Another headliner has been added to the fine array of talent to be presented by the Catherine McKinnon comes to the country show to be presented in connection with Festacolor at the Haliburton Arena on Saturday evening, September 28th.

The big name entertainer is none other than Edward Gyurki the North American Fiddle Champion who once again this year for the fifth time, won the Old Tyme Fiddle Championship held at Shelburne.

The Fiddle Champion started competing in Shelburne in 1957 and since that time has won the contest five times, 1958, 1959, 1967, 1971 and 1974. This is a record number of wins, the previous record being four times held jointly by Edward Gyurki and Graham Townsend of Toronto. In addition to the Shelburne Contest, he this year won contests at Cayuga and Petrolia. He is involved in classical music, being Concertmaster of the Woodstock Strings which is a chamber group formed about three years ago.

He is married and has two children, Stephen, 11 and Joanne, 8. Both children are studying music; Stephen is in Grade 5 piano and Joanne is in her third year of violin. This past year, Joanne won the Junior Strings award at the local Rotary Festival, so they are keeping up the family tradition.

Edward Gyurki, the fiddle champion will be coming to Festacolor through the courtesy of Boice Motor Sales Limited of Haliburton who are picking up the tab. Our thanks to them for this wonderful gesture.

Mr Gyurki will be joining Catherine McKinnon, Billy Meek, The Jean Anderson Dancers and Stan Hamilton and the Flying Scotsman Orchestra for an evening of entertainment which will long be remembered.

We have just been advised that the advance sale of tickets for this show are now on sale and tickets are going real well. Get your tickets now from Poole's Laurentian Variety or Elstone Motor Sales Ltd. or from any member of the Rotary Club.

Rotary Club pledges \$10,000

A \$10,000 donation to the proposed five counties crippled children's centre in Peterborough has been pledged by the Rotary Club of Minden.

In announcing the pledge this week, president Bill O'Brien said his 32 man Minden Rotary Club unanimously endorsed the project and would make an immediate donation to it of \$2,000 plus an additional \$2,000 each year for the next four years.

The Minden club is one of several rotary clubs sponsoring the \$950,000 centre, slated for completion in the fall of 1975.

It will be used as a residential school and treatment centre for physically handicapped children.

12 injured

Three killed in accident

Three people were killed and twelve other injured in an accident last Thursday afternoon, September 12, on Highway 530 in the Maple Lake area. The accident occurred on wet slippery pavement during a rain-storm.

Dead are John Alan Austin, 45, of Haliburton; Lois May Roberts, 35, of Eagle Lake; and Gloria Ann Bonfield, 21, of R.R. # 1, Haliburton.

Mr. Austin, driving a 1971 pick-up truck was west-bound on Highway 530 when he failed to negotiate a turn to his right, and entered the eastbound lane colliding head-on with a 1972 Ford passenger van leased by Browndale. The damage to the vehicle which Austin was driving was estimated to be \$2,000.00 and to the Browndale vehicle, driven by Richard Donison, was \$3,000.00.

Taken to Peterborough Civic Hospital were the driver of the Browndale van, Richard Donison, 27, who suffered a fractured jaw, pelvis, both legs, left arm, internal injuries and multiple lacerations; 13-year-old Marika Lovell with sprained ankle and wrist; 15-year-old Patti Banford with two broken legs; 10-year-old Jacque Bedard with abrasions to face, chest and abdomen; and 16-year-old Richard Smith with fractured right leg.

ed right leg.

St. Joseph's Hospital, Peterborough, admitted 14-year-old Brenda Mann, with a fractured right leg and internal injury; 16-year-old Susan Annis with a broken right leg; nine-year-old Leslie Bird with internal injury.

Taken to Ross Memorial Hospital in Lindsay were 10-year-old Roger Williams with a broken nose and left elbow, facial lacerations and internal injury; eight-year-

old Joseph Shafir with fractured right leg and scalp lacerations; and six-year-old Donna Hughes with abrasions to forehead and elbows and a bruised spine.

Also treated and released was Julie Harris of R. R. #1, Haliburton.

Gloria Ann Bonfield was a passenger in the Browndale van, while Lois May Roberts was a passenger in the truck driven by John Austin.

Coroner was Dr. H.E.

Good of Haliburton, and the investigating officer was Provincial Constable J.G. Martin of the Minden Detachment of the Ontario Provincial Police. He was assisted by Corporal D. Stephens and Constables T.R. Brown, R.J. Wood and W.L. Clendenning.

To date, sixteen persons have been killed in traffic mishaps in the Minden area this year, and the site of this particular accident was also the site of a fatality earlier in the year.

Catherine McKinnon headlines show

The voice of Catherine McKinnon is like a French impressionist painting. It is clear and yet ethereal; it contains countless shades of colour and light that form musical pictures.

As Billboard Magazine phrased it: "Miss Catherine McKinnon is by far one of the brightest stylists to come along in some time. The clarity, power and beauty of her voice make her a definite contender for the Broadway stage."

She performs with ease in all mediums, although she began her career in television on Silngalong Jubilee and The Don Messer Jubilee. She has guested on such widely diversified programs as The Barbara

McNair Show, The Ian Tyson Show, Rollin' On The River, Luncheon Date, Bandwagon, and has had two series of her own on the CTV network: The River Inn and the Catherine McKinnon Show. When the CBC recently dramatized the life of the famous Canadian artist, Emily Carr, and named it The Wonder Of It All, Catherine played the lead with vigour and finesse.

Catherine spends a great deal of time in personal appearances across the country; in 1967 she took the female lead in Spring Thaw, (almost a Canadian institution), in 1968 she was the female lead in the Canadian National Exhibition Grandstand Show, and in 1969 she headlined and hosted the Central Canada Exhibition. Recently, Catherine played "Dorothy" in Winnipeg's Rainbow Stage Theatre production of The Wizard of Oz, where she broke attendance records; and has made a successful debut with the Hamilton Philharmonic Symphony.

She frequently gives live concerts, and enjoys working at the Riverboat, (a folk coffee house in Toronto), as well as in the elite supper clubs of the Royal York Hotel in Toronto, the Ritz-Carlton and Queen Elizabeth Hotels in Montreal, the Sklyine Hotel, Ottawa and the Hilton Hotel in Trinidad.

Her first album, Voice of an Angel, followed by Voice of an Angel, Volume II, gave Catherine the distinction of being the largest selling female recording artist in Canada. She has also

recorded The Catherine McKinnon Christmas Album, Something Old, Something New, Both Sides Now, and Everybody's Talkin' to keep up with public demand.

Catherine received the Medim Award in France in 1967 (for international excellence in recording) and has been voted The top Canadian Female Vocalist for two consecutive years by RPM magazine.

Few Canadian stars transcend the boundaries of this country into the international ranks; Catherine McKinnon is young and greatly talented and already on her way to worldwide stardom. It's where she deserves to be.

Catherine McKinnon will be in Haliburton for Festacolor on Saturday, September 28, when she will headline a show at the Arena in the evening.

Centennial Homecoming Weekend

Due to unforeseen circumstances the Minden Moonshine Festival '74 which has been advertised for September 28 will not be held.

Please remember, the other activities, Firemen's Fall Ball in Wilberforce and Rotary Festacolor in Haliburton on September 28 and the Stanhope Colour Fly-in and Beef Bar-B-Q on September 29. Come and celebrate with us.

Bank manager sees the light

It seems the electrical storm which roused several local residents from their sleep in the wee small hours last Wednesday morning, September 11, really made its presence known at the home of Jim Csanig, Manager of the Canadian Imperial Bank of Commerce here in Haliburton.

Mr. Csanig, who has a home on Eagle Lake, was abruptly awakened at approximately six o'clock in the morning by a great blinding flash of blue light. The lightning entered the house along a large beam taking several chips from it, then travelled to the window frame, where it broke the frame, but left the window intact. It then struck the wall, knocking off some gyproc, travelled down a metal ski pole, and burned a hole in the shag carpet, and

smashed a hole in the floor. The lightning also managed to dislodge the heat register, and Mr. Csanig says the last he saw of it, it was heading down the hot air duct to the furnace.

Being a rather thrifty person by nature, Mr. Csanig had decided Tuesday night to sleep in the living room in front of the fireplace instead of turning on the oil furnace. Even though the weather was a little cool, he informed this reporter that the oil furnace should not be turned on before October.

Apart from being a little shaken by the event, Mr. Csanig was uninjured in the mishap, and the damage is covered by insurance.

If it is any consolation, we hear that lightning never strikes the same place twice, Jim!

Industrial abatement officer appointed

Ian Gray has been appointed industrial abatement district officer for the counties of Simcoe, Muskoka and Haliburton, announced Paul G. Cockburn, Environment Ontario's central region director recently.

In this capacity, Mr. Gray is responsible for the protection of the natural environment from emissions from industrial processes; from commercial, institutional and agricultural operations; from construction and demolition activities and from certain activities of individual citizens.

Prior to his appointment, Mr. Gray was an engineering officer with the Development and Research Section of the Ministry of the Environment's Pollution Control Branch. Born in England, he trained as a chemist and worked there for a chemical engineering firm. He has been with the Ministry and the former Ontario Water Resources Commission since 1968.

Mr Gray is married, with three children and lives on Allen Street in Newmarket.

He can be reached at the Ministry of the Environment, Central Ontario District Office at 12 Fairview Drive in Barrie, (705) 726-1730.

Haliburton Highlights

Mr. Bruce Mills, local Haliburton artist, has returned home following two week trip all through Algoma and the North Shore of Lake Superior Country. On his trip he did some sketches and paintings which will be on display later in both Haliburton and Toronto Art Exhibitions.

Two of the local professional tennis players, namely Art Ward and Ted Gardiner, were on the new tennis court at Haliburton last Saturday morning showing us the finer points of the game.

Thirty-six of the new type street lights are to be installed on various streets in the village of Haliburton in the very near future. The poles have been marked on the location where the new lights will go.

The Minden and Haliburton Rotary clubs got together on Monday afternoon for a friendly afternoon of golf at the Blairhampton Golf Course. This was followed by a get together at Wig-A-Mog Inn.

The Haliburton Legion Pipe Band started beginners classes for pipers and drummers on Monday night. Anyone wishing to join the pipe band should be at the Legion Hall any Monday evening.

Tenders will be received until 5 p.m. September 20th for the construction of the addition to the Haliburton Library.

Next weekend is the Haliburton County Homecoming weekend so make plans now to be in the Highlands and join in on the fun and entertainment.

COUNTY... where life is living - for everyone

News Letter

The summer season in the Highlands of Haliburton is over and now many of the local citizens who have worked so hard are planning on taking a vacation.

The Pre-Natal classes at Haliburton, Kawartha, Pine Ridge District Health Unit Office at Haliburton are now underway. They will last for eight weeks and Fathers are encouraged to attend.

The Haliburton Highlands Secondary School Tug-O-War team told the Echo this week that they can beat any Tug-O-War team in Haliburton County and are throwing out the challenge to any team who may want to face them. It may seem like a bit of boasting but they say they can back it up.

Here are some short tips for long trips, from the Ontario Safety League. Leave sooner ... drive slower ... live longer. Drive with the traffic and not against the clock!

For the fourth consecutive year the Ontario Secondary School Headmasters Association will be meeting at Wig-A-Mog Inn at Haliburton on September 20 and 21. The organization is made up of High School principals and vice principals of Central and Eastern Ontario and Mr John Rouble, principal of the Haliburton Highlands Secondary School is vice-president of the Headmasters Association. Over 100 people will be attending the meetings.

According to Mr. Lou Consky owner of both the Molou and Beaver Theatres the movie business in both theatres was well up this summer over the previous year. Good crowds were on hand for most of the movie showings and the outstanding pictures really drew them in.

The Haliburton Highlands Secondary School Football team will open their schedule away from home when they meet the I.E. Weldon Secondary School in Lindsay on Friday, September 20th. This will be the first test to see just how good our team will be for the coming schedule. We wish them the best of luck.

Now is the time to purchase your advance tickets for the Catherine McKinnon show on the evening of Festacolor.

Some hockey fans from Haliburton County have tickets for one of the Russia-Canada hockey games that will be played at Maple Leaf Gardens in Toronto. It should be a great series and one well worth watching.

Workers have been busy lately giving the roof at the Haliburton Highlands Secondary School a new roofing job.

And in closing this week don't forget to make plans right away to come back for Centennial Homecoming Weekend in Haliburton County.

Just a reminder that the Haliburton County Centennial Homecoming weekend is set for September 27-28-29, 1974. So plan now to come and see the Highlands in living color.

Speed doesn't kill, says the Ontario Safety League. Impact does. But speeding is a sure way to build up your impact. Double your speed and the impact is four times greater.

OPP reports two stolen vehicles

Two vehicles were removed from the premises of two local residents and one vehicle stolen in Peterborough was recovered in the Gooderham area all within two days, the Minden O.P.P. reports.

A vehicle stolen from the home of John Rouble of Haliburton sometime during Thursday evening or early Friday morning was recovered at 1:00 p.m. on September 13 in a ditch in the area of Little Boshkung Lake.

A vehicle owned by Michael Stinson of Halibur-

ton and parked at Lance Easton's at 6:30 p.m., was recovered in a ditch at approximately 9:30 p.m. there was no damage to the vehicle, but a jacket had been stolen from it. This happened on September 14.

On September 14 around four o'clock in the afternoon, an unknown caller reported an abandoned vehicle near Gooderham. The vehicle, a 1972 Oldsmobile, stolen in Peterborough, had been damaged when it had been driven between two pine trees.

The police suggest that

people lock their cars when leaving them unattended, and remove the keys from

the ignition. It is also a good idea to place valuables and parcels in the trunk.

Registration dates set

The Minden Minor Hockey Registration dates have been set for this coming Saturday, September 21st from 10:00 a.m. to 2:00 p.m. and on Friday September 27 from 7:00 p.m. to 9:00 p.m.

Registration will be held on both of these dates at the Minden Municipal office and the rate is \$10.00 each for first three children with a

\$30.00 maximum.

Coaches and Managers for House League Teams may register at the above times or contact Al Arbutnot.

We have just been informed that Victoria Sports will have a complete line of hockey equipment for sale at registration on Saturday, September 21.

Rouble to play for Markham

Chris Rouble, son of Mr and Mrs John F. Rouble of Haliburton is again this year joining the Markham Waxers of the Metro Junior A hockey league. He played there last year and was quite impressive.

Chris is hoping if all goes well to get the opportunity to play a few games with the

Toronto Marlboros of the Ontario Junior A league this year.

He is at present going to school in Markham and working out with the team in preparation for the opening game of the schedule. We wish him the best of luck with his hockey career.

Haliburton Rotary Club news

Next Thursday night the Rotary Club members will be having their regular meeting and then will head to the arena and community park for a Work Night in preparation for Festacolor on Saturday, September 28.

Speaking on the subject of Festacolor each member has eight advance tickets to sell for the Catherine McKinnon Comes to the Country show on the evening of September 28 in the arena. It is cheaper to buy the advance tickets. They will be higher at the door on the evening of the show. Advance tickets are \$2.50 per person.

The District 701 workshop at Rouyn, Quebec is on Saturday, September 21.

The new swimming pool committee attended a meeting in Lindsay on Tuesday night.

At a recent meeting Rotarian Harold Herlihey stressed the importance of trying to arrange to attend the Rotary International Convention to be held next June in Montreal. Since it is so close, and won't be again for sometime, the members should make a real effort to give Haliburton a good representation.

Centennial Corner

HALIBURTON COUNTY CENTENNIAL HOMECOMING WEEKEND

1974 is a memorable year of special events throughout the Provisional County of Haliburton to celebrate its Centennial. Two of the celebrations are County wide.

On May 25th Ontario Place was the setting for a goodwill gathering from all parts of the County with a programme which gained fantastic publicity throughout the entire province.

And now, the weekend of September 28th and 29th is a Centennial Homecoming weekend when everyone who has affiliations with Haliburton, or wish they did, will be welcomed throughout the Highlands. One of the major attractions is just being here to witness the living colour of the foliage. A special passenger train, the 'Haliburton Highlander', under the sponsorship of the Upper Canada Railway Society, will run to Haliburton Village from Toronto on Saturday, September 28th, with six hundred passengers taking advantage of this Autumn Excursion and saluting Fenelon Falls and Haliburton County on the occasion of their Centennials.

"CELEBRATE WITH US!"

COMING CENTENNIAL EVENTS:

Saturday, September 21st: Kinsmen/Kinette Centennial Costume Dance and Buffet at Minden Recreation Centre Auditorium.

Saturday - Sunday, September 28-29th: HALIBURTON COUNTY CENTENNIAL HOMECOMING

Saturday: Haliburton Village - Rotary Festacolor 2:00 p.m. Dedication of CF-100 Aircraft Pipe Bands Competition. 3:00 p.m. Arrival of 'Haliburton Highlander' Train, Beer Gardens, Tug of War, Evening Horse Draw under the lights, Evening Show with 'Catherine McKinnon Comes to the Country', North American Fiddling Champion, and other stars, followed by Festacolor Dance.

Wilberforce - Monmouth Firemen's Fall Ball at Community Centre

Harcourt - Centennial Dance at Community Centre.

Sunday: Stanhope Airport - Colour Fly-in and Beef Bar-B-Q.

COUNTY... where life is living - for everyone

Deer Lodge—Haliburton

Editorials

A restaurant should stay open in the evening

If you are planning on coming to Haliburton some evening for a meeting or a visit be sure to pack your own lunch and bring along a thermos of coffee or otherwise you may starve to death. The reason being that there are no restaurants open here during the evening in the village.

Some people might come back on us and say

that you can always go to one of the local taverns and get a sandwich and have an alcoholic beverage along with it. That may be so but what about the people who don't drink, but want to have a lunch. Well, they are out of luck in this town.

Year in and year out hundreds of dollars are spent for the purpose of promoting the area and in fact trying to get more people to visit our County and Community. It seems to us that some people couldn't care less and it seems odd to us that when they do come if its after dark they can't find anyplace to eat. It is a sad situation.

When the restaurant owners are confronted on this subject they always come back with the answer that there is not enough business to

warrant it. We don't believe it. If at least one restaurant would keep open and people got to know this then the business would start to come.

We are looking forward to the day when a restaurant will move in here and give some service by staying open in the evenings.

Workers are needed

The hockey season will soon be with us once again and here in Haliburton County Minor hockey Associations are having meetings in preparation for the year ahead.

Just talk to anyone who has been involved in minor hockey and they will tell you that there is a lot of work in an organization of this kind.

In our opinion there is no better place than at the arena for a boy playing in the minor hockey association. If he plays minor hockey and joins in with the other boys, chances are that he will grow up to be a good citizen in the future.

The boys who play minor hockey should stop and realize just how lucky they are to have the opportunity to play in an organization where men are giving their time without charge so that they will have the chance to receive good coaching and learn to play in a sportsmanlike manner.

To operate a smooth hockey organization it takes a great deal of work and a lot of manpower. Each year it seems to be harder to rally enough public-minded citizens together to deal with the big task of looking after the various teams.

Each year it seems to be a problem to line up enough coaches, managers, referees and people to serve on the executive. Let us hope that this year will be different and that all these positions will be filled.

If you are thinking about the future of the young boys think of this slogan. Keep a boy out of hot water by putting him on ice.

Yes the hockey season will soon be with us once again and we hope that boys throughout the county will go to their nearest arena and play minor hockey.

Letters to the editor

To the Editor:

As cottagers on Lake Kashagawigamog we would like to suggest that the proper authorities be approached with an urgent request to clear the channel leading from this lake to a docking area in Haliburton Village. At present the channel is choked with weeds, partially submerged dead-head logs, etc.

People who would enjoy going by boat to shop at Haliburton village would be able to make this trip, stop off for shopping or refreshments, and increase the local business - a bonus for all.

Yours truly
Eileen Piper

To the Editor:

We are pleased to advise you that the Minden District seed collection programme is progressing very favourably this year. Our target for collection of White Spruce cones has been exceeded, and good progress is being made in respect to other seed species still required.

Your interest and assistance in promotion of this essential programme has been very effective and is appreciated.

Thank you.

Yours truly,
D.D. White
District Manager

Pic of the Past

How many of our readers will remember John Bird? He is shown here sitting near a fence with some of the beaver pelts he collected while trapping. The photo taken in 1914 was near his camp on the same location as the former Redstone Lodge. Mr. Bird came from

Apsley to West Guilford. His oldest daughter was Mrs. Alf Sisson who passed away six years ago at the age of 91. Our thanks to Cora Sawyer of West Guilford for lending us this photo.

Rocket launching highlights family camp closing

At the Hamilton YMCA's Camp Wanakita, near Donald, one of the closing activities of the Family Camp was the launching of model rockets built by campers and councillors.

Ken Watson and Jim Hill of the Westmount Rocket Club in Hamilton assisted in the construction and launching.

The 12 different models used were built from kits prepared by Estes Industries in the United States and varied from six inches to almost two feet in length.

While over 125 parents, campers, and staff watched, the brightly coloured paper and balsa "birds" shot off the launch pads and up to

altitudes exceeding 300 feet where parachutes automatically popped out. Models were recovered by boats patrolling off the beach launch site.

The experience was a real "lift" for everyone concerned and is enthusiastically anticipated again in the future.

Along the trails

By Roy Bates

It keeps cropping up at every executive meeting. The proposal that the HCSA establish toll gates as a means of collecting trail improvement funds. The toll gate system is used extensively in Quebec, and sanctioned by the Government, to supplement clubs' trail budgets by catching non-members for a share of the action. Toll gates also boost membership, by the simple mathematical fact that the daily fee, multiplied by a season's rides, adds up to far more than the ten dollar (average in Quebec) membership which provides a season ticket.

With club membership fast approaching the full potential in that province, 85 percent and still rising, toll gates will soon become obsolete. I therefore propose, rather than attempt to break through the bureaucracy that stands in the way of establishing the system here, that we take a short cut to total participation by making membership in our organization too attractive to turn down. How does cost free strike you? Or even a cash dividend? It can't be done? Let me just show you that it can!

Inflated fuel prices this year will mean that your snowmobile operating costs will be higher than ever. At 18 miles to the gallon of 90 cent mix, fuel alone runs to five cents a mile. Then comes the wear and tear on your snowmobile, the broken springs and the blown drivebelts, and if you're like me, wages lost when there are too many aches and pains to let you out of your Monday morning bed. These are normal expenses. But in every area they CAN be cut. Trail improvement, which will include removal of obstacles, bridging of streams, grooming, and the breaking of trails after each snowfall, will increase your mileage

by several miles per gallon. Those same improvements, particularly grooming, will cut down on parts replacements, for there will be fewer broken skis and broken springs, and drivebelts will last longer. Best of all, your weekend safaris will be comfortable and far more pleasurable, making Mondays a lot easier to face.

I anticipate that membership in the HCSA can save me up to Eighty Dollars. Which is not a bad profit for my Five Dollar investment! You can share in this dividend by returning the coupon below - now - so that your HCSA can get on with the job.

The Haliburton County Snowmobile Association
Box 151
Haliburton Ont.

Please enter my membership for the 1974-75 season at \$5.00 (please signify if new .. or renewal ...)

I will require ... HCSA crests (at \$1.00 each) and/or ... decals (at 50c) One decal is to be included free with my membership card.

NIGHT CLASSES

Haliburton Highlands Secondary School

The Haliburton County Board of Education will conduct evening classes for adults in all or some of the following subjects provided a sufficient number of candidates apply and instructors are available. The Principal reserves the right to combine or cancel courses if an insufficient number apply or if a satisfactory teacher cannot be obtained.

- (a) Any course for which 15 people register provided a teacher is available.
- (b) 1. Music Appreciation 7. Construction Drawing and
2. Conversational French 8. Blueprint Reading
3. Typing 8. Sewing and Dressmaking
4. Auto Mechanics 9. Driver Education
5. Home Handyman 10. Physical Education
6. Electricity for Beginners (Male) (Female)
11. Business Practice 12. Forkner Shorthand

The Home Handyman course will involve instruction in rough carpentry, roofing, plumbing and elementary electricity.

Individuals wishing to enroll in one of the preceding courses should complete the form below and return it to **Haliburton Highlands Secondary School, Box 390, Attention Night School**, by October 3, 1974.

Courses will be no less than 10 weeks in duration and will be held on evenings desirable to the majority registering for a class.

A fee of \$5.00 is charged for each course taken except Driver Education. The fee for Driver Education will be \$25.00. This fee will be collected on the first night of instruction. Fees shall be refunded if an insufficient number enroll for the course. There may be an additional fee charged in some courses if special texts or equipment is required.

Unless fifteen candidates register, a course cannot be offered. Individuals will be notified as courses become filled and available. The probable date of commencement of Night School courses will be October 7, 1974.

Ex-teachers meeting

On September 11, 1974 23 members of the Superannuated Teachers Organization met in St. Paul's Anglican Parish Hall, Minden, and were catered to by the ladies of the church. Under the leadership of Mr Frank Buttitor, President and Mrs Hilda McCarey, Secretary, some business was conducted. It was decided to have our Annual Dinner at about the same time next year in or around Haliburton. An extra meeting in June was suggested for 1975.

Our Guest Speaker, Art McAdam of Southern Estates, Cameron, addressed the meeting. After 43 years of successful teaching he retired in 1964 but kept very active on executive boards both before and after his retirement. In 1966 he was chairman of a committee that helped form S.T.O. and became its first President. Since then he has done much to promote and improve the Pension Fund for the S.T.O.

He delivered an interesting and humorous address, followed by an informative question and answer period.

Your President for 74-75 will be Roland Sedgwick, Minden Ont., the Secretary will be Mrs Emily Loucks Box 152, Minden, Ont.

If your name was missed and you did not get any word about this year's dinner meeting, please phone now and your name will be recorded and we will not miss you for next year's meeting in Haliburton.

New Cub and Scout season gets underway

With the return of fall another year of Cubbing and Scouting has begun. However there still may be some boys who have not registered.

They may do so at the next Cub or Scout meeting. Cubs meet at the Scout Hall at 7 o'clock on both Monday and Tuesday nights.

Boys interested in joining Cubs must be either eight years of age or seven and in grade three. They can be no older than 10 as of January 1st, 1975.

Scouts meet every Thursday night at 7 o'clock at the Haliburton Highlands Senior Elementary School. Boys interested in Scouts must be 11 as of January 1st, 1975 and can join up to the age of

15. Registration costs \$2.50 per boy or \$5.00 per family.

Cub Master of Pack A is Len Salvatori. Helping him this year is Merve Elstone. They meet every Monday night. Pack B which meets every Tuesday night is under Cub Master Terry Barnum and Bill Rinne, A.C.M.

Scout Leader is Ed Whiteway. He is assisted by Dave Kennedy. Junior leaders are Larry Sicard and Willie Tyler.

The group committee, which consists of chairman Les Roberts representing the Haliburton Legion, Branch 129, the Cub and Scout Sponsor, Howard Roberts, secretary-treasurer, Dennis Baker, public

relations, Grant Rae and Art Lee, consultants, met along with the Cub and Scout leaders last Wednesday, Sept. 11.

During the meeting the group committee regretfully received and accepted the resignation of Walter Webb. Walter has been in Scouting for at least 20 years. He has been a very capable and reliable leader, and enthusiastic Scouter and a likeable father to many of the boys in our community today. The boys will miss the knowled-

ge and hard work that Mr. Webb has exemplified during his many years in the Scouting field.

People are reminded that Apple Day is soon approaching. Apple Day in the Haliburton area will be Friday night Oct. 11 and Saturday, Oct. 12. Your support is gratefully appreciated. Donations are used to help defray registration fees, buy and repair camping equipment, badges, books and partially subsidize camp-outs and cook outs.

College teachers salary offer is misrepresented

Norman A. Sisco, Chairman of the Ontario Council of Regents, has expressed concern regarding misrepresentation of the Council's latest salary offer to academic staff in Colleges of Applied Arts and Technology. The Council represents the colleges in collective bargaining negotiations. Teachers are represented by the Civil Service Association of Ontario (CSAO).

"The Council's latest offer has been reported in the press as six percent for 1973 and seven percent for 1974 and the average teacher's salary has been stated to be \$11,000," Mr. Sisco said. "This information is not accurate and could improperly influence a vote on the Council's offer that is currently being taken by the colleges' academic staff."

The Council's latest monetary offer was made on June 18, 1974. It consisted of seven percent, retroactive to September 1, 1973; a lump sum payment of \$275; a nine percent increase effective September 1, 1974; and an increase from \$400 to \$500 in the annual merit increment for 1974-75.

"The average salary for teachers in the colleges is about \$14,000," Mr. Sisco said. "Over the two-year contract period, the Council's offer would give a teacher at the \$14,000 level a 19.74 percent increase to \$16,764 in addition to earnings-related and other employee benefits."

The offer would increase the college Master Teacher's maximum salary from \$16,900 to \$19,710, effective September 1, 1974. Allowances paid to college teachers with graduate degrees would, in some cases, raise their salaries above the maximum up to \$20,910.

The Council of Regents also offered to pay bonus compensation to Academic Post-Secondary teachers and Nursing Program teachers for scheduled teaching hours over 800 hours per academic year, to Apprenticeship teachers for over 900 hours, and to Adult Training Program teachers for over 1,000 hours.

This represents a drop in the maximum number of scheduled teaching hours that could be required under the previous contract for the latter three groups of teachers. The offer also guarantees the Academic Post-Secondary group of

teachers that its general level of teaching hours will not exceed 720 hours over the 10-month academic year.

Negotiations between the CSAO and the Council of Regents began in May 1973. College teachers have been working without a contract since September 1, 1973. Legislation provides for collective bargaining to be settled by arbitration in the event of failure to reach a negotiated settlement. However, the CSAO has refused to participate in arbitration proceedings.

Haliburton Guild holds annual meeting

Paul Bennett, Executive Director of the Canadian Guild of Crafts was in Haliburton for the Annual Meeting of the Haliburton Highlands Guild of Fine Arts.

After the business portion of the meeting, Mr. Bennett showed an excellent set of slides depicting the Canadian works of arts and crafts chosen for the World Craft Exhibition "In Praise of Hands" which has been held this summer at the Science Centre in Toronto.

Those attending the meeting were quite impres-

sed with the high quality of work being done by Canadian craftsmen. It was disappointing that so many local people missed such an enjoyable event.

We are very pleased with the selection of courses being offered by the School of Fine Arts this fall, and winter. It is hoped that many people in our area will take advantage of this instruction - the prices are reasonable.

tentative schedule - if you wish further details please call 457-1680:

IMPORTANT NEWS FOR NEW CAR BUYERS.

*Some 1975 cars require the use
of more expensive unleaded
gasoline which is not readily available.*

We want you to know...

*All Ford of Canada 1975 carlines can
be refueled with any gasoline, at any pump,
at any station, anywhere. This also
means you can select the gasoline price
that suits you best.*

In order to meet the new Canadian exhaust emission standards, some 1975 cars will be equipped with catalytic converters. The catalytic converter is an emission control device that requires the use of more expensive unleaded gasoline. Because this fuel is not readily available throughout Canada,* all engines (with the exception of one, the optional 2.8 litre V6) for all 1975 lines of Ford of Canada cars have been designed to meet the new Canadian exhaust emission standards without requiring catalytic converters. This means they can be refueled with any gasoline — unleaded, premium, or the lower priced regular. Thus, when you're driving a '75 Ford or Mercury line of car you can select the gasoline price that suits you best.

Ford of Canada believes that this will mean a lot to motorists who will

not be able to find unleaded gasoline available in their normal driving and fuel-shopping patterns. Particularly those who travel in rural areas where availability is substantially less than major urban centres.

"ECONOMY EXTENDERS"

In addition to convenience of fuel availability and choice, there are a number of features engineered into every 1975 Ford of Canada car line that contribute to fuel economy:

- Steel-belted radial ply tires that extend tread life and reduce rolling friction for better gas mileage.
- Solid state ignition that eliminates the points and condenser and improves fuel economy over long periods due to a more stable spark plug performance.
- Improved engine tuning on many engines that results in increased fuel economy and performance.
- Optimized rear axle ratios that contribute to less engine wear

and lower fuel consumption by proper matching to load and use requirements.

See your nearest Ford or Mercury dealer today. He will be glad to discuss everything about the refueling convenience and operating economy of the '75 Ford and Mercury cars including the extended service intervals that contribute to reduced maintenance requirements and, therefore, lower operating costs. It can mean a lot to you.

*Source: Federal Government Department of Industry, Trade and Commerce. June, 1974.

Dysart Council meeting

Minutes of a Special Meeting of the Dysart Municipal Council, held in the Council Chambers on Friday, September 6, 1974, commencing at 7:00 p.m.

Members Present: Roy Brohm, Murray Fearrey, Harold Bannon, Lloyd Coneybeare, L. C. Morrison.

Moved by Lloyd Coneybeare, seconded by L.C.

Morrison that the Minutes of the meetings of August 1st., 7th., 9th., 20th., and 26th. 1974 be adopted as read. Carried.

Some two hours were spent in Committee of the whole reviewing correspondence since the last meeting.

Moved by Murray Fearrey seconded by Harold Bannon That the Meeting be now adjourned at 10:00 p.m. Carried.

Minutes of a Regular Meeting of the Dysart Municipal Council, held in the Council Chambers on Monday, September 9, 1974, commencing at 9:00 A.M.

All Members Present including Road Superintendent (Sid Roberts) and By-Law Enforcement Officer (Cecil B. Winter).

Moved by Murray Fearrey seconded by Lloyd Coneybeare That General Accounts No. 4622 to 4727 totalling \$11,940.34, Road Accounts No. 1310 to 1374 totalling \$25,048.53, and Welfare Accounts No. R.251 to R.281 totalling \$2,683.12 be approved for payment. Carried.

Moved by Harold Bannon seconded by Lloyd Coneybeare That the Ministry of the Environment be petitioned for sewer extension on Highway 121 East to the residence of Lloyd A. Baker as per petition presented to Council August 16, 1974. Carried.

Moved by Lloyd Coneybeare seconded by Murray Fearrey That the Federal Department of National Revenue Taxation Division

be requested to issue a letter of exemption to cover the building fund for the Harcourt Community Centre. Carried.

Moved by L. C. Morrison seconded by Harold Bannon That the Ministry of Transportation and Communications be requested to allow a change from a residential to a commercial approach on the driveway of Carl Sawyer on Highway 530 at West Guilford. Carried.

Moved by Murray Fearrey seconded by L.C. Morrison That Council adjourn to examine the Outlet Bay Road at 11:30 A.M. Council to resume at 1:30 P.M. Carried.

Moved by Murray Fearrey seconded by Harold Bannon That the Reeve and Clerk be authorized to enter into a Subdivision Agreement with Krishna Developments Limited, File 46T-24392 Elephant Lake. Carried.

Moved by Murray Fearrey seconded by L.C. Morrison That D.S. McIntosh of Pape Investments Limited, Registered Plan 437, Guilford be requested to attend at Council, October 7, 1974, prepared to discuss the roads and dedication of Block A. Carried.

Moved by L.C. Morrison seconded by Lloyd Coneybeare That the Clerk be

instructed to submit the petition of the Bitter Burdock Lake Cottagers Association to the Ontario Municipal Board for advice and instruction (one billing of \$100.00 per property owner). Carried.

Moved by Harold Bannon seconded by L.C. Morrison That By-Law No. 74-17, being a restricted, area by-law, Redstone Lake Developments Ltd., be read a first time. Carried.

Moved by L.C. Morrison seconded by Harold Bannon That By-Law No. 74-18, being a restricted area by-law, Happy Hobo Developments Ltd., be read a first time. Carried.

Moved by Murray Fearrey seconded by Lloyd Coneybeare That By-law No. 74-19, being a restricted area by-law, Blair, Gregory and Blair, be read a first time. Carried.

Moved by Lloyd Coneybeare seconded by Murray Fearrey That By-Law No. 74-20, being a by-law to open a portion of road allowance Concessions 7 & 6, Lots 22, 23 and 24, in the Township of Guilford, be read a first time. Carried.

Moved by Lloyd Coneybeare seconded by L.C. Morrison That By-law No. 74-21 being a Restricted Area By-Law, Krishna Developments be read a first time. Carried.

Moved by Lloyd Coney-

beare seconded by Harold Bannon That Council adjourn to Committee of the Whole for second reading of By-Laws No. 74-17, 74-18, 74-19, and 74-20 and 74-21.

Council adjourn - Murray Fearrey being appointed Chairman. Carried.

Moved by Roy Brohm seconded by L.C. Morrison That By-Laws No. 74-17, 74-18, 74-19, 74-20 and 74-21, be read a second time in Committee of the Whole, and passed without amendment. Carried.

Moved by Lloyd Coneybeare seconded by Roy Brohm That Committee of the Whole be now adjourned and Council resumed. Carried.

Moved by Lloyd Coneybeare seconded by Harold Bannon That Tenders be called for the Library addition shell as per specifications. Tenders close September 20, 1974, at 5:00 P.M. Carried.

Moved by L.C. Morrison seconded by Lloyd Coneybeare That By-Laws No. 74-17, 74-18, 74-19 and 74-21, be read a third time, finally passed, signed and sealed. Carried.

Moved by Harold Bannon seconded by Lloyd Coneybeare That the Meeting be now adjourned until Friday, October 4, 1974, at 7:00 p.m. and Monday, October 7, 1974, commencing at 9:00 A.M. Carried.

Maple Lake news

Mr and Mrs Bud Little of Toronto and Mr and Mrs Elf Barber were house guests with Mr and Mrs Herbert Fountain last week.

This community extends sincere sympathy to those families involved in the tragic motor accident in our community last week and to Brown's camps who have been a help to many in our district in a time of sorrow.

The fall seasonal weather has come early and the birds are flocking for their journey south. We see several varieties in large flocks who seem prepared to take off. Haven't heard the Honk, honk! of wild geese yet!

Mr and Mrs W. Peck spent a social hour after church Sunday evening with Carrie Morrison.

Mr Lloyd Johnston of

Minden was our guest speaker at St. Peter's Sunday morning.

Mr and Mrs Tom Redner have gone to North Bay to spend some time with relatives, and get special care.

Mr and Mrs Howie Thompson of Huntsville visited relatives in our community over the weekend.

Mrs Nellie Thompson and Mrs Reg Cook displayed the Stanly products at the Orillia fair last week, and say it was a splendid fair.

Have any news? Phone 754-2667. "Thank You!"

St Peter's Church was the scene of a fall wedding on Saturday.

Mr and Mrs Robert Barry of West Guilford are now holidaying in Germany.

MINDEN

CONTINUING EDUCATION DIVISION EVENING COURSES

Children's Pottery

This is a special pottery course designed for children ages 6 - 14.
- Will be limited to 20 students.

Instructor: Mrs Carole Finn, of Haliburton

Location: Pottery Studio at Lakeview Centre

Time: Saturday mornings 10:00 a.m. - 12:00 noon.

Oct. 19 - Nov. 23

Fee: \$10.00 per child plus \$2.00 materials.

Weaving

This course is designed for beginners & advanced. Working on both floor and table looms.

Instructor: Mrs Julie Gray of Haliburton

Location: Lakeview School

Time: Thursday evening 7:30 - 9:30

Oct. 3 - Nov. 21

Fee: \$15.00 & materials.

Materials will be available for purchase from the Instructor.

Japanese Brush Painting

To teach watercolour using the Japanese Technique - (people interested in other forms of painting or pottery would find this applicable)

Instructor: Cassandra Wyskowski

Location: Lakeview School

Time: Saturdays 10:00 - 12:00 noon

2:00 - 4:00 p.m.

Nov. 9 - Nov. 30

Fee: \$15.00 & materials which will be available for purchase from the Instructor.

Small Engine Repair

This course is designed for owners of outboard motors, snowmobiles and other small powered equipment, and covers the following:

two stroke cycle engine operation, four stroke cycle engine operation, Rotary engine operation, carburetor function, fuel flow to carburetor, float type carburetor, fuel systems - tanks, filters and pumps, Diaphragm type carburetors operation, Diaphragm type carburetors adjustments, Diaphragm type carburetors faults, electricity Ohm's Law and magnetism, Magneto ignition, battery ignition, battery care and charging, spark plugs, fuel and oil selection, snowmobile maintenance, marine engine maintenance, marine rigging, propeller selection and application, storage procedures.

Instructor: Steve Trip is an instructor with the marine mechanics and smallpowered equipment program offered by the retraining division of Sir Sandford Fleming College in Peterborough.

Location: Minden. Exact location will be announced.

Time: Begins in early January. Wed. evenings.

Fee: \$20. There will be limited enrollment maximum 20 students. Advance registration only.

Ceramics Workshop

This is a Special week workshop for both beginners & advanced students. The Instructor is a Professional Potter & a graduate in Ceramics from Sheridan.

Instructor: Steve Irvine

Location: Lakeview School

Time: 9:00 a.m. - 5:00 p.m. Oct. 28 - Nov. 1

Fee: \$30.00 plus materials which can be purchased at the school.

The Individual, The Family & the Changing Society

This course is designed to give the student an outline of the normal pattern of human growth and development. It will help the student understand the wide range of physical and intellectual behaviour at any stage of the human organism development which may be considered normal. It will further give the student an opportunity to recognize and examine behaviours which by their persistence require the evaluation of specialists in an appropriate field. While the course is designed primarily for nurses - teachers and welfare workers and those with some background in child upbringing and care will find it of general interest.

This course is limited to the first 20 registrations.

Instructor: Mr. Steve Jackson has worked in Britain, the United States and Canada as a Psychiatric Social Worker and Marriage Counsellor. His experience includes working with emotionally disturbed children, their families and advising upon the development of services to meet their changing needs.

He attended University in Scotland, Sweden and the United States and is a member of the Association of Psychiatric Social Workers of Great Britain. He holds an M.S.W. degree from Smith's College and is presently employed with Sir Sandford Fleming College as a teaching master and field practice consultant in the Social Services Program.

Location: To be announced

Time: 7:00 p.m. - 10:00 p.m. Tuesdays Oct. 15 - Dec. 3

Fee: \$29.00 (1/2 credit course)

Upholstery

This course will teach measuring, stitching, repairing, methods of application relating to pattern and weave, upholstery sewing and the use of tools related to upholstery.

Instructor: Harry Stephaniuk who is an upholster in Bancroft.

Location: Lakeview School

Time: 7:00 p.m. - 10:00 p.m. Wednesday's Oct. 16 - Dec. 4

Fee: \$15.00 plus materials - some of which can be purchased from the Instructor.

You may call the above number to register for the fall workshops at Halimar Lodge
Sept. 28 - 29 weekend - Enamelling, Jewellery, Off Loom Weaving.

(Photography & painting which are offered the following weekend have been filled.)

Council of Anson, Hindon and Minden meet

The Sixteenth meeting of the council of the townships of Anson, Hindon and Minden was held in the Council Chambers of the Municipal Building on Wednesday, September 4, 1974 commencing at 9:00 a.m.

Reeve Reg Booth in the Chair, Deputy Reeve, Doug Pritchard, Councillors S. Brandon, R. Gorrie, Richard Parisotto, Clerk-Administrator, J. Earl Hewitt, Road Superintendent Richard C. Schell, By-law Officer.

R. Gorrie-S. Brandon: That the Minutes of the meeting of August 14, 1974 be approved. Carried.

Mr and Mrs Wingat were present to request reconstruction and continued maintenance of the road known as the Slaughterhouse Road. The Road Superintendent was directed to prepare cost

estimates and review the budget for the balance of the year. The applicants were advised that in all likelihood the project could not be considered until 1975.

R. Gorrie-D Pritchard That Messrs E. Hewitt and E. Kent be authorized to attend the 1974 Road School in Huntsville on October 21st and 22nd, 1974. Carried.

S. Brandon-D. Pritchard That the Ontario Wild Water Affiliation be permitted to camp in Rotary Park for the 1974 Ontario Slalom Championships to be held at the Horseshoe Rapids on Sept. 14 & 15, 1974. Carried.

Robert Gorrie-D. Pritchard That the Clerk be directed to prepare the necessary by-laws, documents, and notices for the closing of the Municipal roadway in Lot 9, Conces-

sion 9, Minden Township immediately in front of Hart Lodge. Carried.

D. Pritchard-R. Gorrie That permission be granted to Mr. Terrance R. Brown to install a temporary connection to the water system through private property to Highway #35. It is further understood the connection will be removed when a municipal line is installed on Teasdale Street. The actual cost for the connection and normal consumption charges will be borne by the applicant. All property easement arrangements to be made by the applicant. Carried.

R. Gorrie-D. Pritchard That approval be granted for the purchase of one gestetner machine, one typewriter and one calculator at a cost of approximately \$2,000.00. Carried.

S. Brandon-R. Gorrie That Application #74-66 under Section 636(A) of the Municipal Act be approved in the amount of \$39.16. Carried.

Letter was received from

Messrs Neave and Chapple requesting alteration of present drainage on and near their properties on Pleasant Point Road in Lot 10, Concession 10, Minden Township. The Correspondents are advised that the area in question has been a natural drainage course for decades and the culvert installed replaced an old culvert already in existence at that time. The Municipality would not have the authority, at present, to construct drainage culverts on private land.

R. Gorrie-S. Brandon That the Committee of Adjustment be advised that Council would have no objections to the granting of a minor variance to Mr. Brodey as indicated in his letter of August 15th, being an amendment to his original application before the Committee. Carried.

The Clerk was directed to carry out a study on the proposed waterworks extensions and reservoir and submit recommended alternatives for the next

meeting.

R. Gorrie-S. Brandon That By-law 74-30 having been read a first time, be considered as read a second and third time and passed.

Being a by-law to authorize the Reeve and Clerk to execute a quit claim deed to the Ministry of Transportation and Communications. Carried.

D. Pritchard-S. Brandon That By-law 74-31 having been read a first time be considered as read a second

September 19, 1974

and third time and passed. Being a by-law to authorize the sale of land to Felicia Perk. Carried.

D. Pritchard-R. Gorrie That By-law 74-32 having been read a first time, be considered as read a second and third time and passed. Being a by-law to amend By-law 14-67 being the Restricted Area By-law and change zoning from RCB to R. Carried.

R. Gorrie-D. Pritchard That we do now adjourn. Time: 12:19. Carried.

Gems of Truth

TRUE FREEDOM

Liberation is the cry of our day. One hears it on every hand. Each new group that feels it is getting less than it deserves launches a campaign for its liberation. First the coloured race, then the Spanish Americans followed by the Indians. Among the most recent is the women's liberation movement. Many of these groups have some very serious grievances that need attention, but the liberation of the external problems will never make a person free. To understand the nature of true freedom it is necessary to first understand the nature of true bondage. The nature of true bondage is not found in temporal circumstances of poverty or inferior education or inequity before the law.

Many of the early Christians were slaves, as far as their social status was concerned. Yet as believers in the Lord Jesus Christ,

they were truly more free than their unregenerate masters who held the power of physical life and death over them. True bondage and true freedom are spiritual issues, not temporal and physical ones.

This is what Jesus meant when He said to the Jews "Every one who keeps on doing sin is a slave to sin" (John 8:34, personal trans.) True bondage is a spiritual bondage, which is a bondage to sin and to Satan.

Every human being in his natural condition or his natural birth life is "dead in trespasses and sins" and spiritually separated from God. Ephesians 2:1,5. In this state one lives under the power of darkness from day to day.

Not only is the unregenerate person a slave to sin but is also controlled by the power of sin. Paul states it this way "There is none righteous, no, not one". Romans 3:10,12. The person with only a natural birth is a "sinoholic"; he cannot keep

from sinning. The only thing that can help him is the entrance to his life of a greater power than sin and that greater power is God.

This power is provided to all who place their faith in Jesus Christ. His death is placed to their account so that the bondage of sin's penalty is broken. Then the Holy Spirit regenerates or recreates them (Titus 3:5). Such new born babes are now placed by that same

Holy Spirit into the family of God and freedom is their's in Christ. Freedom from the power of sin comes from abiding in the Lord Jesus Christ, as a true disciple will do, and he will ever come to know more truth as truth is none other than Christ Himself. John 14:6. Truly He is the source and power of all true freedom.

SCRIPTURE

MEDITATION: "If the Son therefore shall make you free, ye shall be free indeed". John 8:36.

Food For Thought: "True Theology is Kneecology".

Hall's Lake News

Mr and Mrs Al Rawlins are enjoying a motor trip to the East Coast.

Sunday afternoon Service at St. Stephen's, Boskung, was well attended. The Rev. Andrew Hutchison preached his farewell sermon. Mr. Wheeler's grandson was baptized and Communion was celebrated. The Rector's Warden, Leonard Stinson presented Andrew with a cheque from the Ladies' Guild as well as one from the Church and wished him well in his new charge at Meadowvale. Following the service the Peoples' Warden, Mr. William Mole, and the Rector's Warden accompanied the Rev. Andrew down the aisle. Andrew has been with us only three and a half years and we have enjoyed his sermons and leadership. His wife Lois and son David also attended the service.

Several families returned to their cottages this weekend and found the lake nice for swimming and beautiful sunny days and cool at night for sleeping. We find our flowers are coming along now which we usually find at their best in August. Neighbours are still cutting grass and everything looks green from the

rains and heavy dew.

An Executive Meeting held at Hyland Crest Auxiliary last Wednesday suggested the annual Fashion Show be postponed until next Spring and that an Opportunity Sale be held in October at which time the Boutique stock will be depleted to make room for Winter merchandise. The residents, staff and visitors and the public will be invited to participate in this sale, and the proceeds of which will be used to purchase Christmas gifts and treats for the Residents

of the Home. The Sale will be held in the Auditorium and the date will be announced in a "Coming Events" column in both local papers.

Club 35 will continue to hold Euchre Parties each Monday evening at the hour of 8 o'clock. You need not be a Member to join in the games and Mr. ART Hunt will welcome you. New residents to the area are especially invited - come along and get acquainted with your neighbours. Prizes and refreshments round out a pleasant evening.

In Memorium

BURKE - In loving memory of a dear husband, Harry, who passed away September 20, 1969.

A smiling face, a heart of gold Suffered much, but never told. A friend to all, his last would give. A better husband never lived. Loved and sadly missed by Marg.

BURKE - In loving memory of a dear Father, Harry, who passed away September 20, 1969.

It is hard to believe that five years have passed by From that day when he died. We remember him still and wish he were here Because he was a Dad who was loved so dear. Always remembered and always loved by Leitha and Jack.

DAVIS - In loving memory of a dear father and grandfather, Arnold, who passed away one year ago, September 4, 1973.

The blow was hard, the shock severe, We never thought his death so near. The tears we shed will wipe away But the ache in our hearts will always stay. Silent memories true and tender Just to show we still remember. Ever remembered by daughter Gwen, and son-in-law Bill, and grandchildren Martin, Ted, Will and Dawn Duncan.
